

K-Love has been a huge source of encouragement to me in the local community. If K-love were to be displaced by an LPFM I feel that it would be a great loss to the community, not to have K-Love as a guarantee on the air. I for one would be extremely dissapointed and upset. The service provided by K-love greatly helps and encourages the general public in every way possible- spiritually, mentally and financially even sometimes. It would be a huge loss and dissapointment if this station were not available anymore in the surrounding area.
